## BLACK FRIDAY GUIDELINES AND TIPS

## SALE OVERVIEW

- No coupon codes necessary, all items will be marked down.
- Free returns and exchanges on all items.
- All Black Friday orders will reach shipping facilities in time for Christmas delivery. Baseballism is not responsible for delays once the package is in the hands of the carrier.
- No rain checks.
- No additional coupon codes will be valid due to already large discounts.
- Gift cards may not be used in purchases which include another giff card (e.g. you may not use a $\$ 50$ gift card to pay for an order that includes a $\$ 50$ giff card in the shopping cart)

## TIPS AND TRICKS

In past Black Fridays many popular items have sold out quickly. Baseballism manufactures all its own products in small batches. If a product is labeled as 'Limited Edition', it will not be restocked after selling out. Many Black Friday products will not be restocked before Christmas. If there is a desired product you feel may sell out, we suggest checking out quickly and returning back to do the rest of your shopping. Putting an item in your cart does not reserve the item; you must check out.

## HOW TO RECEIVE YOUR FREE \$50 GIFT CARD

Once your cart is filled with \$100 or more worth of merchandise, a pop-up will appear asking you to accept your free gift card. Select 'Yes Please' and a free $\$ 50$ gift card will appear in your cart. One gift card limit per order.

## SHIPPING

Baseballism normally has orders in the hands of the postal service within 24 hours of order placement, but due to an overwhelming amount of volume during Black Friday/Cyber Monday, shipments may take up to three business days to reach the postal service. Please be patient! We will work hard for you. We understand many orders are presents and they must be delivered quickly.
